Fire Safety House & Fire Engine
House brought to you by Roanoke City Fire & EMS - this is an interactive display that shows how a fire in an actual house would be. There are windows, heated doors, and live non-toxic smoke in the kitchen, living room and bedroom areas. There are smoke detectors and 911 phones and instructions on what to do if there's a fire. There is a closed circuit TV for folks to view what's going on inside the house. Don't let your child miss this - it may save their lives.

Sangrila Farm's Llamas
Don't miss these loveable and curious animals. There will also be some babies this year.

Roanoke Valley Chess Club *(Sat, Sun)*
it's your opportunity to learn to play and to watch a Master Chess player at the game board. (Sat. and Sun.)

Roanoke Valley Amateur Radio Club
